This section shall provide an additional and alternate method of incorporation or reincorporation of not-for-profit corporations for any of the purposes set forth in this paragraph and shall not be deemed to alter, impair or diminish the purposes, rights, powers or privileges of any corporation heretofore or hereafter incorporated under this section or under the stock or business corporation laws. Corporations may be incorporated or reincorporated under this section as not-for-profit local development corporations operated for the exclusively charitable or public purposes of relieving and reducing unemployment, promoting and providing for additional and maximum employment, bettering and maintaining job opportunities, instructing or training individuals to improve or develop their capabilities for such jobs, carrying on scientific research for the purpose of aiding a community or geographical area by attracting new industry to the community or area or by encouraging the development of, or retention of, an industry in the community or area, and lessening the burdens of government and acting in the public interest, and any one or more counties, cities, towns or villages of the state, or any combination thereof, or the New York job development authority in exercising its power under the public authorities law to encourage the organization of local development corporations, may cause such corporations to be incorporated by public officers or private individuals or reincorporated upon compliance with the requirements of this section, and it is hereby found, determined and declared that in carrying out said purposes and in exercising the powers conferred by paragraph (b) such corporations will be performing an essential governmental function.

(b) Type of corporation.

A local development corporation is a charitable corporation under this chapter.

(d) Purchase or lease of real property owned by a county, city, town or village.

(1) The local legislative body of a county, city, town or village or, if there is a board of estimate in a city, then the board of estimate, may by resolution determine that specifically described real property owned by the county, city, town or village is not required for use by such county, city, town or village and authorize the county, city, town or village to sell or lease such real property to a local development corporation incorporated or reincorporated under this article; provided, however, that title to such land be not declared inalienable as a forest preserve or a parkland.

(2) Notwithstanding the provisions of any general, special or local law, charter or ordinance to the contrary, such sale or lease may be made without appraisal, public notice, (except as provided in subparagraph (4)) or public bidding for such price or rental and upon such terms as may be agreed upon between the county, city, town or village and said local development corporation; provided, however, that in case of a lease the term may not exceed ninety-nine years and provided, further, that in cities having a population of one million or more, no such sale or lease shall be made without the approval of a majority of the members of the borough improvement board of the borough in which such real property is located.

(3) Before any sale or lease to a local development corporation incorporated or reincorporated under this article shall be authorized, a public hearing shall be held by the local legislative body, or by the board of estimate, as the case may be, to consider the proposed sale or lease.

(4) Notice of such hearing shall be published at least ten days before the date set for the hearing in such publication and in such manner as may be designated by the local legislative body, or the board of estimate as the case may be.

property is used in violation of the restrictions of this paragraph, the attorney-general may bring an action or special proceeding to enjoin the unauthorized use.

(e) Certificate of incorporation.

In addition to the requirements of section 402 (Certificate of incorporation; contents) the certificate of incorporation or reincorporation of a local development corporation incorporated or reincorporated under this article shall state (1) that all income and earnings of such corporation shall be used exclusively for its corporate purposes or accrue and be paid to the New York job development authority, (2) that no part of the income or earnings of such corporation shall inure to the benefit or profit of, nor shall any distribution of its property or assets be made to any member or private person, corporate or individual, or any other private interest, except that the certificate of incorporation or reincorporation may authorize the repayment of loans and may also authorize the repayment of contributions (other than dues) to the local development corporation but only if and to the extent that any such contribution may not be allowable as a deduction in computing taxable income under the internal revenue code of nineteen hundred fifty-four, (3) that if such corporation accepts a mortgage loan or loans from the New York job development authority, such corporation shall be dissolved in accordance with the provisions of paragraph (g) upon the repayment or other discharge in full by such corporation of all such loans.

(f) Exemption of income from taxation.

The income and operations of corporations incorporated or reincorporated under this section shall be exempt from taxation.

(g) Dissolution.

Upon the dissolution of any local development corporation incorporated or reincorporated under this section no member or private person, corporate or individual, or other private interest, shall be entitled to any distribution or division of its remaining funds and other property and rights and interests in property, and the balance thereof, after the payment of all debts and liabilities of the corporation of whatsoever kind and nature, (including the payment of loans and contributions the repayment of which has been authorized in its certificate of incorporation or reincorporation) shall be distributed to one or more counties, cities, towns or villages within the territory designated in its certificate of incorporation or reincorporation as the territory in which its operations are principally to be conducted, for furtherance of the purposes set forth in paragraph (a), or to the New York job development authority, as shall be provided by said corporation or by order of the supreme court of the state of New York pursuant to section 1008 (Jurisdiction of supreme court to supervise dissolution and liquidation).

(h) Corporations heretofore incorporated.

Any corporation heretofore incorporated under the membership corporations law or this chapter, or under the stock or business corporation law for any of the purposes set forth in paragraph (a) of this

section may amend its certificate of incorporation and be reincorporated as a local development corporation organized under this section by making and filing in the office of the secretary of state a certificate, stating the name of such corporation, and, if it has been changed, the name under which it was originally incorporated, the date of its incorporation, the names and post-office addresses of its members or of the holders of record of all of the outstanding shares of such corporation entitled to vote with relation to the proceedings provided for in the certificate and that such corporation has elected to become and be a local development corporation organized and operated under and by virtue of this section. Such certificate shall be either (1) subscribed in person or by proxy by all of the members or the holders of record of all of the outstanding shares of such corporation entitled to vote with relation to such proceedings and shall have annexed an affidavit of the secretary or an assistant secretary that the persons who have executed the certificate, in person or by proxy, constitute all of the members or the holders of record of all of the outstanding shares of the corporation entitled to vote with relation to the proceedings provided for in the certificate, or (2) subscribed by the president or a vice president and the secretary or an assistant secretary and shall have annexed an affidavit of such officers stating that they have been authorized to execute and file such certificate by the votes, cast in person or by proxy, of all of the members or of the holders of record of all of the outstanding shares of such corporation entitled to vote with relation to such proceedings at the meeting at which such votes were cast, and that such votes were cast at a meeting of members or stockholders held on a date specified, upon notice pursuant to section 605 (Notice of meeting of members) or to section 605 of the Business Corporation Law. Every certificate filed under this paragraph shall have endorsed thereon or annexed thereto the approval of a justice of the supreme court of the judicial district in which the office of the corporation is to be located. A reincorporation pursuant to this paragraph shall not effect a dissolution of the corporation, but shall be deemed a continuation of its corporate existence, without affecting its then existing property rights or liabilities, or the liabilities of its members or officers as such, but thereafter it shall have only such rights, powers and privileges, and be subject only to such other duties and liabilities, as a corporation created for the same purposes under this article.

(i) Effect of section.

Corporations incorporated or reincorporated under this section shall be organized and operated exclusively for the purposes set forth in paragraph (a), shall have, in addition to the powers otherwise conferred by law, the powers conferred by paragraph (c) and shall be subject to all the restrictions and limitations imposed by paragraph (e) and paragraph (g). In so far as the provisions of this section are inconsistent with the provisions of any other law, general or special, the provisions of this section shall be controlling as to corporations incorporated or reincorporated hereunder.

Article 16 - LAND BANKS

§ 1600. Short title.

Not-For-Profit Corporation Law

Articles 14 & 16

This article shall be known and may be cited as the "land bank act".

§ 1601. Legislative intent.

The legislature finds and declares that New York's communities are important to the social and economic vitality of the state. Whether urban, suburban, or rural, many communities are struggling to cope with vacant, abandoned, and tax-delinquent properties.

There exists a crisis in many cities and their metro areas caused by disinvestment in real property and resulting in a significant amount of vacant and abandoned property. For example, Cornell Cooperative Extension Association of Erie county estimates that the city of Buffalo has thirteen thousand vacant parcels, four thousand vacant structures and an estimated twenty-two thousand two hundred ninety vacant residential units. This condition of vacant and abandoned property represents lost revenue to local governments and large costs ranging from demolition, effects of safety hazards and spreading deterioration of neighborhoods including resulting mortgage foreclosures.

The need exists to strengthen and revitalize the economy of the state and its local units of government by solving the problems of vacant and abandoned property in a coordinated manner and to foster the development of such property and promote economic growth. Such problems may include multiple taxing jurisdictions lacking common policies, ineffective property inspection, code enforcement and property rehabilitation support, lengthy and/or inadequate foreclosure proceedings and lack of coordination and resources to support economic revitalization.

There is an overriding public need to confront the problems caused by vacant, abandoned and tax-delinquent properties through the creation of new tools to be available to communities throughout New York enabling them to turn vacant spaces into vibrant places.

Land banks are one of the tools that can be utilized by communities to facilitate the return of vacant, abandoned, and tax-delinquent properties to productive use. The primary focus of land bank operations is the acquisition of real property that is tax delinquent, tax foreclosed, vacant, abandoned, and the use of tools authorized in this article to eliminate the harms and liabilities caused by such properties.

§ 1602. Definitions.

The following words and phrases when used in this article shall have the meanings given to them in this section unless the context clearly indicates otherwise:

Such inventory shall include a complete copy of the sales contract including all terms and conditions including, but not limited to, any form of compensation received by the land bank or any other party which is not included within the sale price.

(c) The land bank shall determine and set forth in policies and procedures of the board of directors the general terms and conditions for consideration to be received by the land bank for the transfer of real property and interests in real property, which consideration may take the form of monetary payments and secured financial obligations, covenants and conditions related to the present and future use of the property, contractual commitments of the transferee, and such other forms of consideration as are consistent with state and local law.

Except and unless restricted or constrained in this manner, the board of directors may delegate to officers and employees the authority to enter into and execute agreements, instruments of conveyance and all other related documents pertaining to the conveyance of real property by the land bank.

(g) All property dispositions shall be listed on the property disposition inventory established pursuant to paragraph (b) of this section within one week of disposition. Such records shall remain available for public inspection in the property disposition inventory indefinitely.

(h) Failure to comply with the requirements in paragraph (g) of this section shall subject the land bank to a civil penalty of one hundred dollars per violation up to a maximum of ten thousand dollars for each parcel, recoverable in an action brought by the attorney general or district attorney. The attorney general or district attorney may also seek rescission of the real property transaction.

§ 1610. Financing of land bank operations.

§ 1611. Borrowing and issuance of bonds.

(a) A land bank shall have power to issue bonds for any of its corporate purposes, the principal and interest of which are payable from its revenues generally. Any of such bonds may be secured by a pledge of any revenues, including grants or contributions from the state of New York, the federal government, or any agency, and instrumentality thereof, or by a mortgage of any property of the land bank.

(b) The bonds issued by a land bank are hereby declared to have all the qualities of negotiable instruments under New York state law.

(c) The bonds of a land bank created under the provisions of this article and the income therefrom shall at all times be free from taxation for the state of New York or local purposes under any provision of New York law.

(d) Bonds issued by the land bank shall be authorized by resolution of the board and shall be limited obligations of the land bank; the principal and interest, costs of issuance, and other costs incidental thereto shall be payable solely from the income and revenue derived from the sale, lease, or other disposition of the assets of the land bank. In the discretion of the land bank, the bonds may be additionally secured by mortgage or other security device covering all or part of the project from which the revenues so pledged may be derived. Any refunding bonds issued shall be payable from any source described above or from the investment of any of the proceeds of the refunding bonds and shall not constitute an indebtedness or pledge of the general credit of any foreclosing governmental unit or municipality within the meaning of any constitutional or statutory limitation of indebtedness and shall contain a recital to that effect. Bonds of the land bank shall be issued in such form, shall be in such denominations, shall bear interest, shall mature in such manner, and be executed by one or more members of the board as provided in the resolution authorizing the issuance thereof. Such bonds may be subject to redemption at the option of and in the manner determined by the board in the resolution authorizing the issuance thereof.

(e) Bonds issued by the land bank shall be issued, sold, and delivered in accordance with the terms and provisions of a resolution adopted by the board. The board may sell such bonds in such manner, either at public or at private sale, and for such price as it may determine to be in the best interests of the land bank. The resolution issuing bonds shall be published in a newspaper of general circulation within the jurisdiction of the land bank and posted prominently and continuously on the homepage of any website maintained by the land bank.

(f) Neither the members of a land bank nor any person executing the bonds shall be liable personally on any such bonds by reason of the issuance thereof. Such bonds or other obligations of a land bank shall not be a debt of any municipality or of the state of New York, and shall so state on their

face, nor shall any municipality or the state of New York nor any revenues or any property of any municipality or of the state of New York be liable therefor.

§ 1612. Public records and public meetings.

(a) The board shall cause minutes and a record to be kept of all its proceedings. Except as otherwise provided in this section, the land bank shall be subject to the open meetings law and the freedom of information law.

(b) A land bank shall hold a public hearing prior to financing or issuance of bonds. The land bank shall schedule and hold a public hearing and solicit public comment. After the conclusion of the public hearing and comments, the land bank shall consider the results of the public hearing and comments with respect to the proposed actions. Such consideration by the land bank shall include the accommodation of the public interest with respect to such actions; if such accommodation is deemed in the best interest of the community proposed actions shall include such accommodation.

(c) In addition to any other report required by this chapter, the land bank, through its chairperson, shall annually deliver, in oral and written form, a report to the municipality. Such report shall be presented by March fifteenth of each year to the governing body or board of the municipality. The report shall describe in detail the projects undertaken by the land bank during the past year, the monies expended by the land bank during the past year, and the administrative activities of the land bank during the past year. At the conclusion of the report, the chairperson of the land bank shall be prepared to answer the questions of the municipality with respect to the projects undertaken by the authority during the past year, the monies expended by the municipality during the past year, and the administrative activities of the municipality during the past year.

§ 1613. Dissolution of land bank.

A land bank may be dissolved as a charitable not-for-profit corporation sixty calendar days after an affirmative resolution approved by two-thirds of the membership of the board of directors. Sixty calendar days advance written notice of consideration of a resolution of dissolution shall be given to the foreclosing governmental unit or units that created the land bank, shall be published in a local newspaper of general circulation, and posted prominently and continuously on the homepage of any website maintained by the land bank, and shall be sent certified mail to the trustee of any outstanding bonds of the land bank. Upon dissolution of the land bank all real property, personal property and other assets of the land bank shall become the assets of the foreclosing governmental unit or units that created the land bank. In the event that two or more foreclosing governmental units create a land bank in accordance with section sixteen hundred three of this article, the withdrawal of one or more foreclosing governmental units shall not result in the dissolution of the land bank unless the intergovernmental agreement so provides, and there is no foreclosing governmental unit that desires to continue the existence of the land bank.

§ 1614. Conflicts of interest.

Articles 14 & 16

No member of the board or employee of a land bank shall acquire any interest, direct or indirect, in real property of the land bank, in any real property to be acquired by the land bank, or in any real property to be acquired from the land bank. No member of the board or employee of a land bank shall have any interest, direct or indirect, in any contract or proposed contract for materials or services to be furnished or used by a land bank. The board may adopt supplemental rules and regulations addressing potential conflicts of interest and ethical guidelines for members of the board and land bank employees.

§ 1615. Construction, intent and scope.

The provisions of this article shall be construed liberally to effectuate the legislative intent and the purposes as complete and independent authorization for the performance of each and every act and thing authorized by this article, and all powers granted shall be broadly interpreted to effectuate the intent and purposes and not as a limitation of powers. Except as otherwise expressly set forth in this article, in the exercise of its powers and duties under this article and its powers relating to property held by the land bank, the land bank shall have complete control as fully and completely as if it represented a private property owner and shall not be subject to restrictions imposed by the charter, ordinances, or resolutions of a local unit of government.

§ 1616. Delinquent property tax enforcement.

The municipality may enter into a contract to sell some or all of the delinquent tax liens held by it to a land bank, subject to the following conditions:

(a) The consideration to be paid may be more or less than the face amount of the tax liens sold.

(b) Property owners shall be given at least thirty days advance notice of such sale in the same form and manner as is provided by subdivision two of section eleven hundred ninety of the real property tax law. Failure to provide such notice or the failure of the addressee to receive the same shall not in any way affect the validity of any sale of a tax lien or tax liens or the validity of the taxes or interest prescribed by law with respect thereto.

(c) The municipality shall set the terms and conditions of the contract of sale.

(d) The land bank must thirty days prior to the commencement of any foreclosure action provide to the municipality a list of liens to be foreclosed. The municipality may, at its sole option and discretion, repurchase a lien or liens on the foreclosure list from the land bank. The repurchase price shall be the amount of the lien or liens plus any accrued interest and collection fees incurred by the land bank. The land bank shall provide the foreclosure list to the municipality, along with the applicable repurchase price of each lien, by certified mail, and the municipality shall have thirty days from receipt to notify the land bank of its option to purchase one or more of the liens. If the municipality opts to purchase the lien, it

shall provide payment within thirty days of receipt of the repurchase price of said lien or liens. If the municipality shall fail to opt to repurchase the lien or liens the land bank shall have the right to commence a foreclosure action immediately.

(e) The sale of a tax lien pursuant to this article shall not operate to shorten the otherwise applicable redemption period or change the otherwise applicable interest rate.

(f) Upon the expiration of the redemption period prescribed by law, the purchaser of a delinquent tax lien, or its successors or assigns, may foreclose the lien as in an action to foreclose a mortgage as provided in section eleven hundred ninety-four of the real property tax law. The procedure in such action shall be the procedure prescribed by article thirteen of the real property actions and proceedings law for the foreclosure of mortgages. At any time following the commencement of an action to foreclose a lien, the amount required to redeem the lien, or the amount received upon sale of a property, shall include reasonable and necessary collection costs, attorneys' fees, legal costs, allowances, and disbursements.

(g) The provisions of title five of article eleven of the real property tax law shall apply so far as is practicable to a contract for the sale of tax liens pursuant to this article.

(h) If the court orders a public sale pursuant to section eleven hundred thirty-six of the real property tax law, and the purchaser of the property is the land bank, then the form, substance, and timing of the land bank's payment of the sales price may be according to such agreement as is mutually acceptable to the plaintiff and the land bank. The obligation of the land bank to perform in accordance with such agreement shall be deemed to be in full satisfaction of the tax claim which was the basis for the judgment.

(i) Notwithstanding any other provision of law to the contrary, in the event that no municipality elects to tender a bid at a public sale pursuant to the provisions of section eleven hundred sixty-six of the real property tax law or sale pursuant to the provisions of a county charter, city charter, administrative code, or special law when applicable under section eleven hundred four of the real property tax law, the land bank may tender a bid at such sale in an amount equal to the total amount of all municipal claims and liens which were the basis for the judgment. In the event of such tender by the land bank the property shall be deemed sold to the land bank regardless of any bids by any other third parties. The bid of the land bank shall be paid as to its form, substance, and timing according to such agreement as is mutually acceptable to the plaintiff and the land bank. The obligation of the land bank to perform in accordance with such agreement shall be deemed to be in full satisfaction of the municipal claim which was the basis for the judgment. The land bank, as purchaser at such public sale or sale pursuant to the provisions of a county charter, city charter, administrative code, or special law when applicable under section eleven hundred four of the real property tax law, shall take and forever thereafter have, an absolute title to the property sold, free and

discharged of all tax and municipal claims, liens, mortgages, charges and estates of whatsoever kind. The deed to the land bank shall be executed, acknowledged and delivered within thirty days of the sale. Alternatively, the land bank can assign all rights resulting from the land bank's successful tender for the property to the foreclosing governmental unit, which would allow the property to be deeded directly to the foreclosing governmental unit. All land bank acquisitions pursuant to this paragraph shall comply with section sixteen hundred eight of this article and all dispositions of property acquired pursuant to this paragraph shall comply with section sixteen hundred nine of this article.

§ 1617. Contracts.

(a) The land bank may, in its discretion, assign contracts for supervision and coordination to the successful bidder for any subdivision of work for which the land bank receives bids. Any construction, demolition, renovation and reconstruction contract awarded by the land bank shall contain such other terms and conditions as the land bank may deem desirable. The land bank shall not award any construction, demolition, renovation and reconstruction contract greater than ten thousand dollars except to the lowest bidder who, in its opinion, is qualified to perform the work required and who is responsible and reliable. The land bank may, however, reject any or all bids or waive any informality in a bid if it believes that the public interest will be promoted thereby. The land bank may reject any bid, if, in its judgment, the business and technical organization, plant, resources, financial standing, or experience of the bidder justifies such rejection in view of the work to be performed.

(b) For the purposes of article fifteen-A of the executive law only, the land bank shall be deemed a state agency as that term is used in such article, and all contracts for procurement, design, construction, services and materials shall be deemed state contracts within the meaning of that term as set forth in such article.
