INDEPENDENT AUDITORS' REPORT

March 27, 2012

To the Board of Directors of the Livingston Tobacco Asset Securitization Corporation:

We have audited the accompanying financial statements of the governmental activities and major fund of the Livingston Tobacco Asset Securitization Corporation (the Corporation), a blended component unit of the County of Livingston, New York, as of and for the years ended December 31, 2011 and 2010, which collectively comprise the Corporation's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Corporation's management. Our responsibility is to express opinions on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and major fund of the Livingston Tobacco Asset Securitization Corporation as of December 31, 2011 and 2010, and the respective changes in financial position thereof for the years then ended in conformity with accounting principles generally accepted in the United States.

In accordance with *Government Auditing Standards*, we have also issued our report dated March 27, 2012, on our consideration of the Livingston Tobacco Asset Securitization Corporation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

INDEPENDENT AUDITORS' REPORT

(Continued)

Accounting principles generally accepted in the United States require that the management's discussion and analysis on pages 3 through 7 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

(A Blended Component Unit of the County of Livingston, New York)

MANAGEMENT'S DISCUSSION AND ANALYSIS (UNAUDITED)
DECEMBER 31, 2011 AND 2010
(In Thousands)

The following Management's Discussion and Analysis (MD&A) provides a comprehensive overview of the Livingston Tobacco Asset Securitization Corporation's (the Corporation) financial position as of December 31, 2011 and 2010 and its changes in financial position for the years then ended. This MD&A should be read in conjunction with the financial statements and related footnotes of the Corporation, which directly follow the MD&A.

General Overview

The Corporation is a special purpose, bankruptcy remote local development corporation organized under the Not-For-Profit Corporation Laws of the State of New York (the State). The Corporation was established on October 10, 2000; however, there were no substantive operations until October 15, 2000. The Corporation is an instrumentality of, but separate and apart from the County of Livingston, New York (the County). Pursuant to a Purchase and Sale Agreement with the County, the County sold to the Corporation all of its future rights, title and interest in the Tobacco Settlement Revenues (TSRs) under the Master Settlement Agreement (MSA) and the Decree and Final Judgment (the Decree). The MSA resolved cigarette smoking related litigation between the settling states and the Participating Manufacturers (PMs), released the PMs from past and present smoking related claims, and provided for a continuing release of future smoking related claims, in exchange for certain payments to be made to the settling states, as well as certain tobacco advertising and marketing restrictions, among other things. The Decree, which was entered by the Supreme Court of the State, allocated to the County a share of the TSRs under the MSA. The future rights, title and interest of the County's share were sold to the Corporation and were financed by the issuance of bonds.

Overview of the Financial Statements

The financial statements of the Corporation have been prepared in accordance with accounting principles generally accepted in the United States as prescribed by the Governmental Accounting Standards Board (GASB). The financial statement presentation consists of the following four basic financial statements:

- Statement of Net Deficit
- Statement of Activities and Change in Net Deficit
- Governmental Fund Balance Sheet
- Statement of Governmental Fund Revenues, Expenditures and Change in Fund Balance

The Statement of Net Deficit and the Statement of Activities and Change in Net Deficit are prepared using the economic resource measurement focus and the accrual basis of accounting. Revenues, expenses, assets and liabilities resulting from exchange and exchange-like transactions are recognized when the exchange takes place. Revenues, expenses, assets and liabilities resulting from non-exchange transactions are recognized when the amounts to be received are measurable and collection is probable. The Governmental Fund Balance Sheet and the Statement of Governmental Fund Revenues, Expenditures and Change in Fund Balance are presented using the current financial resources measurement focus and the modified accrual basis of accounting. These policies are more fully described in the accompanying notes to the basic financial statements.

Overview of the Financial Statements (Continued)

The Statement of Net Deficit presents all of the Corporation's asset and liability information, with the difference between the two reported as net deficit. Fluctuations in net assets can be a useful indicator of the Corporation's financial position. Restricted net assets are those that are restricted based on externally imposed conditions and consist of funds in the debt service and liquidity reserve accounts. These accounts were established to provide for debt service payments for at least one year in the event of insufficient revenues. All other net assets are considered unrestricted.

The Statement of Activities and Change in Net Deficit presents all of the Corporation's revenues, both program and general, expenses, and transfers.

The Governmental Fund Balance Sheet presents the Corporation's assets, liabilities and fund balance. This statement uses the debt service fund, a governmental fund type, to report its financial position.

The Statement of Governmental Fund Revenues, Expenditures and Change in Fund Balance presents the changes in financial position of the debt service fund.

Financial Highlights

During the year the Corporation had a Consumption Decline Trapping Event, which is measured annually under the Master Settlement Agreement (MSA). Under the MSA since the number of cigarette shipments in the 50 United States, District of Columbia and Puerto Rico was under 305,664,161,271, a trapping event occurred and as of December 1, 2011 \$2,162 was being held by the Trustee.

The Corporation reported a net deficit (i.e., liabilities in excess of assets) of \$13,216 as of December 31, 2011, an increase in the deficit of \$353.

There were no new debt obligations issued or other major transactions during 2011. Required payments were made in 2007 through and including 2011 against bonds issued in 2000 based upon the TSR's received by the Corporation.

Condensed Statement of Net Deficit

(In thousands)

	<u>2011</u>	<u>2010</u>	<u>2009</u>
Total assets	\$ 2,268	\$ 2,318	\$ 2,348
Bonds payable Other liabilities	 13,327 2,157	 13,482 1,699	 13,662 1,327
Total liabilities	 15,484	 <u> 15,181</u>	 14,989
Net deficit	\$ (13,216)	\$ (12,863)	\$ (12,641)

Total Assets

The total assets decreased \$50 from 2010 to 2011 and decreased from \$30 2009 to 2010. The decrease in total assets from 2010 to 2011 was primarily due to a decrease in bond issuance costs of approximately \$32 and a decrease in TSR receivable of approximately \$19. The decrease in accounts receivable was the result of anticipated 2012 TSRs being less than those that were expected in 2011. The decrease in total assets from 2009 to 2010 was primarily due to a decrease in bond issuance costs of approximately \$32 and a decrease in TSR receivable of approximately \$4, offset by an increase in the investments of approximately \$6.

Financial Highlights (Continued)

Total Liabilities

The increase in total liabilities from 2010 to 2011 of \$303 reflects the increase in accrued interest payable on outstanding bonds (approximately \$458) and a decrease in bonds payable (approximately \$155). The increase in total liabilities from 2009 to 2010 of \$192 reflects the increase in accrued interest payable on outstanding bonds (approximately \$372) and a decrease in bonds payable (approximately \$180).

Total Net Assets

The increase in the net deficit from 2010 to 2011 of approximately \$353 was primarily due to the increase in interest, amortization and fees (approximately \$75) and a decrease in TSRs (approximately \$58). The increase in the net deficit from 2009 to 2010 of approximately \$222 was primarily due to the decrease in the interest, amortization and fees expense (approximately \$139), a decrease in TSRs (approximately \$188).

Condensed Statement of Activities And Change in Net Deficit

(In thousands)

Expenses:	<u>2011</u>	<u>2010</u>	<u>2009</u>
General government - Materials and services Administrative costs Interest, amortization and fees	\$ 35 15 1,054	\$ 37 15 <u>979</u>	\$ 41 15 840
Total expenses	1,104	1,031	896
Program revenues - tobacco settlement	 <u>751</u>	 809	 997
Change in net assets	(353)	(222)	101
Net assets - beginning of year	 (12,863)	 (12,641)	 (12,742)
Net assets - end of year	\$ (13,216)	\$ (12,863)	\$ (12,641)

Expenses

Expenses incurred in 2011 were more than those incurred in 2010. This increase was due to an increase in the amount of interest and accretion recorded in 2011. Expenses incurred in 2010 were more than those incurred in 2009. This increase was due to an increase in the amount of interest and accretion recorded in 2010.

Revenues

Total revenues recorded during 2011 were less than those recorded in 2010. TSRs decreased by \$58 in 2011 compared to 2010. Revenues recorded during 2010 was less than those recorded in 2009. TSRs decreased by \$188 in 2010 compared to 2009.

Financial Analysis of the Corporation's Fund Financial Statements

The Corporation uses fund accounting to ensure and demonstrate compliance with finance related legal requirements.

The focus of the Corporation's governmental fund reporting is to provide information on near-term inflows, outflows and balances of spendable resources. Such information is useful in assessing the Corporation's financing requirements. In particular, Unreserved - undesignated fund balance may serve as a useful measure of the Corporation's net resources available for spending at the end of the year.

In 2011, the Corporation implemented Governmental Accounting Standards Board, No. 54, which required that fund balances be reported different than in prior years.

As of December 31, 2011, the Corporation's debt service fund reported an ending fund balance of \$1,397, a decrease of \$30 from the prior year. \$514 of fund balance is unassigned fund balance and is available for the Corporation's future needs. The remainder of fund balance is restricted to indicate that it is not available for spending because it has already been committed to pay future debt service and fund bond issuance costs.

As of December 31, 2010, the Corporation's debt service fund reported an ending fund balance of \$1,427, a decrease of \$26 from the prior year. \$541 of fund balance is unassigned fund balance and is available for the Corporation's future needs. The remainder of fund balance is reserved to indicate that it is not available for spending because it has already been committed to pay future debt service and fund bond issuance costs.

Debt Service

Debt obligations of the Corporation as of December 31, 2011 consist of the Series 2005 Tobacco Settlement Asset-Backed Bonds and the remaining balance of the Series 2000 Tobacco Settlement Asset-Backed Bonds. The total amount of the Series 2005 Bonds and Series 2000 Bonds outstanding at December 31, 2011 was \$13,327. None of the outstanding Series 2005 Bonds were considered current since none were due within twelve months of year-end. The Series 2005 Bonds were not rated since they were sold to the New York Counties Tobacco Trust V, an unrelated trust established by participating local development corporations, including the Corporation. The 2005 Bonds were structured, however, to enable the New York Counties Tobacco Trust V bonds to attain the following ratings:

Bond <u>Series</u>	Standard & <u>Poor's</u>	<u>Fitch</u>
2005 S1	BBB -	BBB
2005 S2	BBB -	BBB -
2005 S3	BBB -	BB
2005 S4A	Non-rated	Non-rated
2005 S4B	Non-rated	Non-rated

The Series 2000 Bonds are composed of the following:

- \$780,000 Tobacco Settlement Asset-Backed Bonds, Series 2000 (Tax Exempt Turbo Bonds), maturity date is June 1, 2015, interest rate of 6.00%.
- \$725,000 Tobacco Settlement Asset-Backed Bonds, Series 2000 (Tax Exempt Turbo Bonds), maturity date is June 1, 2019, interest rate of 6.40%.
- \$1,195,000 Tobacco Settlement Asset-Backed Bonds, Series 2000 (Tax Exempt Turbo Bonds), maturity date is June 1, 2023, interest rate of 5.80%.
- \$1,935,000 Tobacco Settlement Asset-Backed Bonds, Series 2000 (Tax Exempt Turbo Bonds), maturity date is June 1, 2028, interest rate of 6.25%.
- \$2,940,000 Tobacco Settlement Asset-Backed Bonds, Series 2000 (Tax Exempt Turbo Bonds), maturity date is June 1, 2035, interest rate of 6.50%.

Debt Service (Continued)

The Series 2000 Bonds are composed of the following (Continued):

• \$3,490,000 Tobacco Settlement Asset-Backed Bonds, Series 2000 (Tax Exempt Turbo Bonds), maturity date is June 1, 2042, interest rate of 6.625%.

The Series 2005 Bonds are composed of the following:

- \$1,607,765 Tobacco Settlement Asset-Backed Bonds, Series 2005 S1 (Tax Exempt Turbo Capital Appreciation Bonds), maturity date is June 1, 2038, with an accreted value at maturity of \$7,667,235.
- \$1,025,287 Tobacco Settlement Asset-Backed Bonds, Series 2005 S2 (Tax Exempt Turbo Capital Appreciation Bonds), maturity date is June 1, 2050, with an accreted value at maturity of \$13.844.714.
- \$593,061 Tobacco Settlement Asset-Backed Bonds, Series 2005 S3 (Tax Exempt Turbo Capital Appreciation Bonds), maturity date is June 1, 2055, with an accreted value at maturity of \$16,051,939.
- \$1,701,024 Tobacco Settlement Asset-Backed Bonds, Series 2005 S4B (Tax Exempt Turbo Capital Appreciation Bonds), maturity date is June 1, 2060, with an accreted value at maturity of \$111,398,976.

Payments on the outstanding capital appreciation bonds are based on the accreted value of the bonds at their stated maturity. The accretion of these capital appreciation bonds over their life results in the recognition of substantial annual interest costs until the capital appreciation bonds are redeemed. Reference should be made to the Bonds Payable footnote in the financial statements for a summary of the required principal and interest (which includes accretion of the capital appreciation bonds) payments.

Contacting the Corporation

This financial report is designed to provide a general overview of the Corporation's finances and to demonstrate the Corporation's accountability for the money it receives. If you have questions about this report or need additional financial information, contact the Treasurer, Livingston Tobacco Asset Securitization Corporation, 6 Court Street, Geneseo, New York, 14454.

NOTES TO BASIC FINANCIAL STATEMENTS DECEMBER 31, 2011 AND 2010

1. ORGANIZATION

The Livingston Tobacco Asset Securitization Corporation (the Corporation) is a special purpose, bankruptcy remote local development corporation organized under the Not-For-Profit Corporation Law of the State of New York (the State). The Corporation was established on October 10, 2000. The Corporation is an instrumentality of, but separate and apart from the County of Livingston, New York (the County). The Corporation will have not less than three nor more than five directors, consisting of Ex-Officio Directors during the tenure of their respective offices in the County, and Appointed Directors who will serve 1-year terms. Although legally separate from the County, the Corporation is a component unit of the County and, accordingly, is included in the County's basic financial statements as a blended component unit.

On October 15, 2000, pursuant to a Purchase and Sale Agreement with the County, the County sold to the Corporation all of its future rights, title and interest in the Tobacco Settlement Revenues (TSRs) under the Master Settlement Agreement (MSA) and the Decree and Final Judgment (the Decree). The MSA resolved cigarette smoking related litigation between the settling states and the Participating Manufacturers (PMs), released the PMs from past and present smoking related claims, and provided for a continuing release of future smoking related claims, in exchange for certain payments to be made to the settling states, as well as certain tobacco advertising and marketing restrictions, among other things. The Decree, which was entered into by the Supreme Court of the State, allocated to the County a share of the TSRs under the MSA. The future rights, title and interest of the County's share were sold to the Corporation.

The Corporation's purchase of the County's future rights, title and interest in the TSRs was financed by the original Series 2000 bond issuance. A Residual Certificate exists which represents the entitlement to receive all amounts required to be distributed after payment of debt service, operating expenses and certain other costs of the Corporation as set forth in the Indenture. Payments on the Residual Certificate from TSR collections are subordinate to payments on the bonds and payment of certain other costs specified in the Indenture. Excess TSRs not required by the Corporation to pay various expenses, debt service or required reserves with respect to the bonds are transferred to the Livingston TASC Residual Trust (the Trust), as owner of the Residual Certificate. The County is the beneficial owner of the Trust and thus the funds received by the Trust will ultimately transfer to the County.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The Corporation's financial statements are prepared in conformity with accounting principles generally accepted in the United States as prescribed by the Governmental Accounting Standards Board (GASB). The Corporation's government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Measurement Focus, Basis of Accounting, and Financial Statement Presentation (Continued)

Private sector standards of accounting and financial reporting issued prior to December 1, 1989, generally are followed in the government-wide financial statements to the extent they do not conflict with or contradict guidance from GASB.

The Corporation's fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Corporation considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures and claims and judgments, are recorded only when payment is due.

The major governmental fund is the Debt Service Fund. The Debt Service Fund accounts for the resources accumulated and payments made for operations and principal debt service on long-term general obligation debt.

Net Deficit

Generally accepted accounting principles require that resources be classified for accounting purposes into applicable net asset categories.

Unrestricted net deficit are net assets that are not restricted, but which may be internally designated by the Board of Directors. At December 31, 2011 and 2010, the amount of unrestricted net deficit was \$14,098,605 and \$13,749,749, and none were internally designated.

Net assets are reported as restricted when constraints placed on net asset use are either externally imposed by creditors, grantors, contributors, laws or regulations of other governments or imposed by law through constitutional provisions or enabling legislation. Restricted net assets of the Corporation are those net assets that are restricted based on externally imposed conditions and include amounts restricted for debt service and bond issuance costs.

The Corporation has adopted a practice of utilizing its restricted net assets when available, prior to unrestricted net assets.

Fund Balance

In the fund financial statements, fund balance is defined as follows:

- Restricted fund balance includes amounts with constraints placed on the use of resources either externally imposed by creditors, grantors, contributors or laws or regulations of other governments; or imposed by law through constitutional provisions or enabling legislation.
- Unassigned fund balance includes all other general fund amounts that do not meet the definition above and are deemed to be available for general use by the Corporation.

Beginning fund balances for the Corporation's fund have been restated to reflect the above classifications.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Cash and Cash Equivalents

The Corporation considers bank deposit accounts and all highly liquid debt instruments with remaining maturities, when purchased, of 12 months or less to be cash equivalents and these are stated at fair value. The Corporation maintains a liquidity reserve account, which was initially funded from the Series 2000 Bond proceeds and has been increased by funds from the Series 2005 Bonds. This account must be maintained at a minimum of \$881,090 until such time that all bonds, other than subordinated bonds, are paid. All amounts withdrawn from this account are replenished, as needed, and amounts in excess of the required amount are transferred out. This account is included in restricted cash and cash equivalents on the balance sheet. At December 31, 2011 and 2010, the balance in the liquidity accounts was \$882,039 and \$881,874, respectively.

Deferred Bond Issuance Costs

The Corporation has elected to recognize bond issuance costs as an asset for both the governmental fund and government-wide statements. These costs are amortized over the term of the related bonds. The Corporation recognizes all interest paid as interest expenditures on the modified accrual basis for the governmental fund statements and all interest incurred as expenses on the full accrual basis for the government-wide financial statements. Amortization expense was \$31,794 for each of the years ended December 31, 2011 and 2010. Accumulated amortization was \$301,542 and \$269,748 as of December 31, 2011 and 2010, respectively.

Tobacco Settlement Revenues Receivable

The Corporation records a receivable for TSRs and does not accrue interest on unpaid amounts. The Corporation has not recorded an allowance for doubtful accounts related to the TSRs and does not anticipate future write-offs.

Deferred Revenue

Deferred revenue represents amounts earned under the modified accrual basis of accounting used in the Debt Service Fund, but not meeting the definition of available for use.

Income Taxes

The Corporation is a not-for-profit corporation and is exempt from income taxes as an organization qualified under Section 501(c)(3) of the Internal Revenue Code. The Corporation has also been classified by the Internal Revenue Service as an entity that is not a private foundation. The Corporation is also exempt from Federal reporting requirements under Internal Revenue Service Revenue Procedures 95-48, 1995-2 C.B. 418 as a governmental unit or affiliate of a governmental unit described in the procedure.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Reclassifications

Certain accounts in the prior-year financial statements have been reclassified for comparative purposes to conform with the presentation in the current-year financial statements.

3. DEPOSITS AND INVESTMENTS

Investment and Deposit Policy

The Corporation follows an investment and deposit policy as outlined in the Bond Indenture, the overall objective of which is to adequately safeguard the principal amount of funds invested or deposited; conformance with federal, state and other legal requirements; provide sufficient liquidity of invested funds in order to meet obligations as they become due; and attainment of a market rate of return. Oversight of investment activity is the responsibility of the Treasurer of the Corporation.

Interest Rate Risk

Interest rate risk is the risk that the fair value of investments will be affected by changing interest rates. The Corporation does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Credit Risk

The Corporation's policy is to minimize the risk of loss due to failure of an issuer or other counterparty to an investment to fulfill its obligations. The Corporation's investment and deposit policy authorizes the reporting entity to purchase the following types of investments:

- Obligations of the United States of America;
- Obligations guaranteed by the United States of America where payment of principal and interest are guaranteed by the United States of America;
- Obligations of the State of New York;
- Special time deposit accounts;
- Certificates of Deposit;
- Commercial Paper;
- Repurchase agreements limited to obligations of the United States of America, or obligations whose principal and interest are fully guaranteed, or insured by the United States of America. The term of each agreement shall generally not exceed 180 days. The agreement shall be confirmed in writing by the seller, and each security purchased under the agreement shall be specifically identified; segregated from the assets of the seller and delivered for safekeeping into an account designated and controlled by the Corporation. Also, each seller shall enter into a master Repurchase Agreement with the Corporation which shall specify the rights and obligations of the Corporation and the Seller in all transactions:
- Obligations of public authorities, public housing authorities, urban renewal agencies, and industrial development agencies where the general State statutes governing such entities or whose specific enabling legislation authorizes such investments; and
- Obligations issued pursuant to New York State Local Finance Law Section 24.00 and 25.00 (with approval of the New York State Comptroller) by any municipality, school district or district corporation other than the Corporation.

3. DEPOSITS AND INVESTMENTS (Continued)

Custodial Credit Risk - Deposits

Custodial credit risk - deposits is the risk that in the event of a failure of a depository financial institution, the reporting entity may not recover its deposits. In accordance with the Corporation's investment and deposit policy, all deposits of the Corporation including certificates of deposit and special time deposits, in excess of the amount insured under the provisions of the Federal Deposit Insurance Act (FDIA) shall be secured by a pledge of securities with an aggregate value equal to the aggregate amount of deposits. The Corporation restricts the securities to the following eligible items:

- Obligations issued, or fully insured or guaranteed as to the payment of principal and interest, by the United States of America, an agency thereof or a United States government sponsored corporation;
- Obligations issued or fully guaranteed by the International Bank for Reconstruction and Development, the Inter-American Development Bank, the Asian Development Bank, and the African Development Bank;
- Obligations partially insured or guaranteed by any agency of the United States of America;
- Obligations issued or fully insured or guaranteed by the State of New York;
- Obligations issued by a municipal corporation, school district or district corporation of New York State;
- Obligations of any public benefit corporation, which under a specific State statute may be accepted as security for deposit of public monies;
- Obligations issued by states (other than the State of New York) of the United States rated in one of the two highest rating categories by at least one Nationally Recognized Statistical Rating Organization (NRSRO);
- Obligations of Puerto Rico rated in the highest rating category by at least one NRSRO;
- Obligations of counties, cities and other governmental entities of a state other than the State of New York having the power to levy taxes that are backed by the full faith and credit of such governmental entity and rated in one of the two highest categories by at least one NRSRO;
- Obligations of domestic corporations rated in one of the two highest rating categories by at least one NRSRO; and
- Zero coupon obligations of the United States of America marketed as "treasury strips."

As of December 31, 2011 and 2010, the carrying amount of the Corporation's cash and cash equivalents was \$40,926 and \$36,147, respectively, and were fully insured under the FDIA.

Custodial credit risk - investments is the risk that an entity will not be able to recover the value of an investment or collateral securities that are in the possession of an outside party if the counterparty to the transaction fails. The Corporation's investment and deposit policy requires that all custodial investments be registered or insured in the Corporation's name and held in the custody of the bank or the bank's trust department. The Corporation requires that all repurchase agreements be limited to obligations of the United States of America or obligations whose principal and interest are fully guaranteed, or insured by the United States of America. As of December 31, 2011 and 2010, the Corporation's investments, with maturities of less than one year, were in compliance with the investment and deposit policy as follows:

Investment Type	<u>2011</u>	<u>2010</u>
Money market fund (U.S. Treasuries)	\$ 882,964	\$ 886,737

3. DEPOSITS AND INVESTMENTS (Continued)

Concentration of Credit Risk

The Corporation places no limit on the amount that may be invested in any one issuer. At December 31, 2011 and 2010, all amounts were held by one bank.

Under the terms of the Indenture, the Corporation is required to maintain certain deposits to fund debt service payments, if needed. Such deposits are included in investments in the basic financial statements. In addition, the Corporation is subject to various debt covenants, including limitations on expenses/expenditures, and compliance with Indenture agreement requirements. The Corporation was in compliance with all covenants and Indenture agreement requirements at December 31, 2011 and 2010.

The Corporation had the following reserve funds as of December 31:

<u>Investments</u>	<u>2011</u>	<u>2010</u>		
Liquidity reserve Other reserve accounts	\$ 882,039 925	\$	881,874 4,863	
Total	\$ 882,964	\$	886,737	

4. BONDS PAYABLE

The original purchase price for the County's future rights, title and interest in the TSRs was financed through the issuance of Series 2000 Bonds in the amount of \$11,065,000 with interest at rates ranging from 5.80% to 6.625%. The Series 2000 Bonds are secured by a perfected security interest in, and pledge of, the Trust Estate, as defined in the Indenture, which includes, among other things, the TSRs and all investment earnings on amounts on deposit in the accounts established under the Indenture (collectively, the Collections). Among the accounts so established are the Liquidity Reserve Account and the Debt Service Account. The Corporation retains TSRs in an amount sufficient to service its debt and pay its operating expenses.

The Series 2005 Bonds are payable solely from and secured solely by the future right, title and interest of the Corporation in the collection of TSRs previously purchased by the Corporation from the County. The Series 2005 Bonds are subordinate and subject to the rights of the holders of the Series 2000 Bonds previously issued by the Corporation. This series consists of subordinate turbo capital appreciation bonds (CAB) that provide long-dated financing for the Corporation and take advantage of current market conditions where interest rates are low, investors have a favorable view of litigation events and where institutional investors are looking for high yield investments. The Corporation is required to covenant not to issue additional bonds or refunding bonds that would extend the term of the capital appreciation bonds or other outstanding bonds. The Corporation remitted the net proceeds from issuance of the Series 2005 Bonds to the County to be used for the expansion of the County jail facilities.

The Series 2000 Bonds are composed of the following:

- \$780,000 Tobacco Settlement Asset-Backed Bonds, Series 2000 (Tax Exempt Turbo Bonds), maturity date is June 1, 2015, interest rate of 6.00%.
- \$725,000 Tobacco Settlement Asset-Backed Bonds, Series 2000 (Tax Exempt Turbo Bonds), maturity date is June 1, 2019, interest rate of 6.40%.
- \$1,195,000 Tobacco Settlement Asset-Backed Bonds, Series 2000 (Tax Exempt Turbo Bonds), maturity date is June 1, 2023, interest rate of 5.80%.

4. BONDS PAYABLE (Continued)

- \$1,935,000 Tobacco Settlement Asset-Backed Bonds, Series 2000 (Tax Exempt Turbo Bonds), maturity date is June 1, 2028, interest rate of 6.25%.
- \$2,940,000 Tobacco Settlement Asset-Backed Bonds, Series 2000 (Tax Exempt Turbo Bonds), maturity date is June 1, 2035, interest rate of 6.50%.
- \$3,490,000 Tobacco Settlement Asset-Backed Bonds, Series 2000 (Tax Exempt Turbo Bonds), maturity date is June 1, 2042, interest rate of 6.625%.

The Series 2005 Bonds are composed of the following:

- \$1,607,765 Tobacco Settlement Asset-Backed Bonds, Series 2005 S1 (Tax Exempt Turbo Capital Appreciation Bonds), maturity date is June 1, 2038, with an accreted value at maturity of \$7,667,235.
- \$1,025,287 Tobacco Settlement Asset-Backed Bonds, Series 2005 S2 (Tax Exempt Turbo Capital Appreciation Bonds), maturity date is June 1, 2050, with an accreted value at maturity of \$13,844,714.
- \$593,061 Tobacco Settlement Asset-Backed Bonds, Series 2005 S3 (Tax Exempt Turbo Capital Appreciation Bonds), maturity date is June 1, 2055, with an accreted value at maturity of \$16,051,939.
- \$1,701,024 Tobacco Settlement Asset-Backed Bonds, Series 2005 S4B (Tax Exempt Turbo Capital Appreciation Bonds), maturity date is June 1, 2060, with an accreted value at maturity of \$111,398,976.

Long-term indebtedness for the Corporation's bonds payable consisted of the following:

	<u>2011</u>	<u>2010</u>
Balance - beginning of year	\$ 13,481,860	\$ 13,661,860
Repayments of bonds	 (155,000)	 (180,000)
Balance - end of year	\$ 13,326,860	\$ 13,481,860
Required payments due within one year	\$ 70,000	\$ 155,000

4. BONDS PAYABLE (Continued)

Principal and interest payments (including accretion on capital appreciation bonds) based upon the required maturities are as follows for the years ended December 31:

	Required Maturities						
		<u>Principal</u>		Interest/ Accretion		<u>Total</u>	
2012	\$	70,000	\$	1,066,569	\$	1,136,569	
2013	•	80,000	•	1,098,769	•	1,178,769	
2013		100,000		1,131,284		1,231,284	
2013		110,000		1,166,360		1,276,360	
2013		120,000		1,203,071		1,323,071	
2017 - 2021		605,000		6,650,061		7,255,061	
2022 - 2026		385,000		8,257,229		8,642,229	
2027 - 2031		2,035,000		10,214,811		12,249,811	
2032 - 2036		2,100,000		12,933,573		15,033,573	
2037 - 2041		3,832,489		14,407,435		18,239,924	
2042 - 2046		570,000		18,611,033		19,181,033	
2047 - 2051		1,025,287		25,362,519		26,387,806	
2052 - 2056		593,061		31,098,966		31,692,027	
2057 - 2060		1,701,023		<u>26,718,743</u>	_	28,419,766	
	\$	13,326,860	<u>\$ 1</u>	59,920,423	<u>\$1</u>	73,247,283	

Required maturities for the Series 2000 Bonds are dependant on the extent of actual collections from the TSRs and availability of funds in accordance with a flexible amortization payment schedule. Required maturities for the Series 2005 Bonds represent the minimum amount of principal that the Corporation must pay as of the specific distribution dates in order to avoid a default. Turbo (accelerated) amortization payments are required to be made against outstanding principal providing that the Corporation receives sufficient TSRs to make the Turbo payments. The interest payment requirements shown are based on the required principal maturity schedule and include the accreted value portion of capital appreciation bonds in the year in which they are required to be redeemed.

Principal payments of \$155,000 and \$180,000 were made during 2011 and 2010, respectively, on the outstanding bonds payable.

Interest

Interest expense on bonds payable was \$1,021,911 and \$946,561 in 2011 and 2010, respectively. In 2011 and 2010, cash paid for interest was \$564,452 and \$574,471, respectively.

5. TRANSACTIONS WITH LIVINGSTON COUNTY

In addition to setting forth the terms and conditions of the sale and purchase of the TSRs, the Purchase and Sale Agreement also provides for separate consideration to retain the County to act as Administrator with respect to the preparation of all reports and other instruments and documents that it is the duty of the Corporation to prepare, execute, file or deliver pursuant to the Indenture and the related agreements.

The Purchase and Sale Agreement also contemplates the lease by the Corporation of office space and telephone service from the County, and the sharing of overhead and operating services and expenses (including shared employees, consultants and agents and reasonable legal and auditing expenses) on the basis of actual use or value of such services, or otherwise on a basis reasonably related thereto.

The cost to the Corporation for the services provided by the County was approximately \$27,000 in both 2011 and 2010.

No funds considered a residual amount in accordance with the Indenture were available or transferred to the Trustee and ultimately the County in 2011 and 2010.

6. CONTINGENCIES

Future TSRs are subject to adjustment based upon tobacco consumption, inflation and other factors. Pursuant to the Indenture, these adjustments and other events could trigger additional debt service reserve requirements.

During the year the Corporation had a Consumption Decline Trapping Event, which is measured annually under the MSA. Under the MSA since the number of cigarette shipments in the 50 United States, District of Columbia and Puerto Rico was under 305,664,161,271, a trapping event occurred and as of December 1, 2011 \$2,162,500 was being held by the Trustee

Bonadio & Co., LLP Certified Public Accountants

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

March 27, 2012

To the Board of Directors of the Livingston Tobacco Asset Securitization Corporation:

We have audited the financial statements of the governmental activities and the major fund of Livingston Tobacco Asset Securitization Corporation (the Corporation), as of and for the year ended December 31, 2011, which collectively comprise the Corporation's basic financial statements and have issued our report thereon dated March 27, 2012. We conducted our audit in accordance with auditing standards generally accepted in the United States and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

Management of the Corporation is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered the Corporation's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Corporation's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS (Continued)

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Corporation's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of management, the Board of Directors and others within the entity and is not intended to be and should not be used by anyone other than these specified parties.
