David Womack  
President  
Hudson Yards Infrastructure Corporation  
75 Park Place, 6<sup>th</sup> Floor  
New York, New York 10007

Dear David Womack:

The Authorities Budget Office (ABO) is authorized to assist public authorities improve management practices and the procedures by which their activities and financial practices are disclosed to the public. Pursuant to Section 2800 of Public Authorities Law, state and local authorities are to make documents pertaining to their mission, current activities, annual financial reports, budgets and independent audit reports accessible to the public on the authority's official or shared website. To assist state and local authorities meet their disclosure and reporting obligations, the ABO has issued Policy Guidance No. 22-01: "Posting and Maintaining Reports on Public Authority Websites". This guidance provides a checklist of policies, reports and other information that the Authority should maintain online in accordance with the Public Authorities Reform Act of 2009 and other provisions of law.

Between March 20, 2023 and April 11, 2023, we reviewed the Hudson Yards Infrastructure Corporation's (Authority) website. Our review was limited to verifying that the required information is posted on the Authority's website and did not address the substance of these documents. Our review focused on current information and required data for the fiscal year ending June 30, 2022. We have concluded that the Authority needs to make additional required information available on its website. Please review the attached findings and take the appropriate action so that all information required under Section 2800 of Public Authorities Law is available online and easily accessible to the public.

Please provide us with a written confirmation that you have fully addressed these concerns by December 28, 2023. You may view Policy Guidance No. 22-01 at [www.abo.ny.gov](http://www.abo.ny.gov). Please contact us if you have any additional questions.

Sincerely,

Jeffrey Pearlman  
Acting Director

Enclosure
